ENCORE ON KEYS

A career changing experience

“Encore has been going great! The kids, parents and I are loving it. The students are amazing me with their enthusiasm and desire to challenge themselves. Thank-you for putting together such a great resource.”

Wendy Eyers, Corowa, NSW.

“Far superior to anything I have ever used. The rhythmic element is so strong and vibrant. I’ve been teaching for 15 years and just love this method.”

Bronwyn Brands

“I had a student who was struggling with another series of books. After changing him over to *Encore On Keys*, he is now just so full of enthusiasm! It is just so exciting to see how much he has progressed in just one year.”
